Are the nearest approach to real diamonds ever discovered.

WE ARE THE SOLE IMPORTERS.

Our title has been protected by the courts. There are several concerns in various parts of this city who are trying to copy our advertisements and window displays. They steal any and all ideas that we cannot copyright, and in various other ways are trying to enrich themselves on our brains and reputation. We wish the public, business men and newspapers to distinctly understand that we have no connection with these people. We have no Branch Stores or Agencies, our business being conducted entirely from this our only store. They also claim to sell imitation diamonds under various names and claim they are as good as ours.

THEY LIE AND THEY KNOW THEY LIE.

Barrios Diamonds are the only stones ever discovered that will retain their brilliancy forever.

JUST THE THING FOR CHRISTMAS.

You could give nothing more appropriate. Handsome, brilliant Brooches, Studs, Rings, Pins, Earrings, etc., can be bought to-morrow at a small percentage of the value they represent. **DON'T POSTPONE YOUR VISIT. COME TO-MORROW.**

DIAMONDS DUPLICATED

Royalty and the "400" who own celebrated and costly diamonds set in necklaces, tiaras, brooches, bracelets, girdles, etc., keep them in burglar-proof vaults while they wear in public the exact duplicate in Barrios Diamonds, and no one ever detects the difference. Why, during the week of the Horse Show and so far during the season of Grand Opera we have made up various articles of jewelry for some of New York's wealthiest and most prominent people that, if genuine, would cost over half a million dollars. It would be worth your while to call at our store and examine these marvellous stones.

AN EXTRA INDUCEMENT.

For this week only, and in order to induce you to have your old mountings reset with our brilliant Barrios Diamonds, and to make it an object for you to have you bring in your work before the holiday rush, we will reset your old jewelry free, you to pay only the cost of the stones. Come See the Greatest and Grandest Display of Semi-Precious Stones Ever Made. Come See How They Sparkle. Come Early and Get the Brightest and Prettiest Goods. Any Article Selected Now Will Be Held for You Until Christmas.
